

Summer Coffee Hour

Prior to 10:30 service, mix two pitchers of lemonade. Add the recommended amount of powder and 2/3 of the water. Stir to mix well. Fill the rest of each pitcher with ice and place in refrigerator. Put ice and water in an additional pitcher and place that in the refrigerator.

Please bring about six to seven dozen cookies. They do not have to be homemade. Since the table is in the sun, it is best to bring cookies that will not melt. There are plenty of plates or platters in the kitchen. Two should be enough. Take out some of the small paper cups and a few napkins. Leave all inside until after the service.

You should be able to stay in church until after communion. At that time, go back to the Parish Hall and carry prepared plates, pitchers, etc. to the table outside on the slate walkway across from the playground and raise the outdoor umbrella. If weather is inclement, use the parish hall.

Thank you so much for hosting!
